

Gregory F Simpson

I'm Simpson...Greg Simpson, Agent in Engagement.

I help companies address the gap between knowing the importance of employee engagement and actually doing something about it by focusing on the employee experience lifecycle.

As a trained (MBA) Employee Engagement Operative, I've created award-winning workplace experiences that engaged people at all levels of Fortune 150 companies such as Accenture, State Farm Insurance Cos, Deutsche Bank, and Microsoft.

For my next assignment, I want to return to the headquarters of a large corporation where I can help a company AND its employees succeed by creating a more meaningful, productive, and engaging workplace experience.
